

# Canonical Verification Report: DOST-SEI Graduate Scholarship Programs

A systemic audit of the live scholarship database (public.scholarships, export timestamp 2026-08-05) reveals structural inaccuracies, incomplete data models, and critical logic mismatches between live database parameters and official agency mandates governing graduate funding. In a production-grade scholarship matching engine, loose data typing and qualitative assumptions generate severe failure modes. False-positive recommendations direct ineligible applicants to submit applications for programs that will reject them, while false-negative omissions suppress viable funding opportunities for qualified candidates. This report provides canonical verification for five Department of Science and Technology - Science Education Institute (DOST-SEI) graduate scholarship programs: the master umbrella entry (ID 3) and its four component sub-tracks—Accelerated Science and Technology Human Resource Development Program (ASTHRDP, ID 133), Engineering Research and Development for Technology (ERDT, ID 134), Capacity Building Program in Science and Mathematics Education (CBPSME, ID 135), and Science and Technology Education for Regional Development (STRAND, ID 136). Data verification strictly follows a four-tiered authority hierarchy: Tier 1 comprises direct government web portals (.gov.ph), official provider systems (science-scholarships.ph), official downloadable PDF guidelines, and governing administrative orders. Tier 2 covers official press releases and advisories published directly by governing secretariats. Tier 3 includes trusted university scholarship notices used solely to locate primary sources, while Tier 4 unverified blogs and secondary aggregators are discarded. Fields lacking explicit mandates in Tier 1 sources are designated as NOT SPECIFIED IN OFFICIAL SOURCE.

| Database ID | Live Database Title                                                 | Live DB State                                                                                                      | Canonical Provider Mandate                                                                                                                                   | Primary Discrepancy & Matching Engine Impact                                                                                                                                       |
|-------------|---------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ID 3        | DOST-SEI Graduate Scholarship Programs (ASTHRDP/CBPSME/ERDT/STRAND) | is_active: true, max_income: 500000, min_gwa: 88, allowance_mo: 15000, total_value: 200000, confidence_score: 0.12 | Active master umbrella program. Stipend is ₱30,000/mo (MS) or ₱38,000/mo (PhD). Income is uncapped. GWA is governed by host graduate school retention rules. | <b>Severe Parameter Corruption:</b> Erroneously enforces a ₱500,000 income ceiling and underestimates monthly living stipends by 50% to 60%, miscalculating applicant eligibility. |
| ID 133      | Accelerated Science and Technology Human Resource                   | is_active: true, levels: ["Graduate"], tuition: false,                                                             | Active R&D graduate track. Covers actual tuition, ₱30k/₱38k                                                                                                  | <b>Incomplete Data Schema:</b> confidence_score and completeness                                                                                                                   |

| Database ID   | Live Database Title                                                     | Live DB State                                                                                                                                              | Canonical Provider Mandate                                                                                                              | Primary Discrepancy & Matching Engine Impact                                                                                                                              |
|---------------|-------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|               | Development Program (ASTHRDP)                                           | allowance_mo: null, total_value: null, confidence_score: 0.05                                                                                              | monthly stipend, ₱20k/AY book allowance, and Student Research Support Fund (SRSF).                                                      | are near zero (0.05), suppressing the scholarship in automated matching queries.                                                                                          |
| <b>ID 134</b> | Engineering Research and Development for Technology (ERDT)              | is_active: true, levels: ["Graduate"], tuition: false, allowance_mo: null, total_value: null, confidence_score: 0.05                                       | Active engineering graduate track restricted to eight ERDT Consortium universities. Full tuition and standard DOST graduate benefits.   | <b>Incomplete Schema &amp; Missing Tag:</b> Lacks structured tagging for the 8-university ERDT Consortium restriction, risking false-positive matches.                    |
| <b>ID 135</b> | Capacity Building Program in Science and Mathematics Education (CBPSME) | is_active: true, levels: ["Graduate"], tuition: false, allowance_mo: null, total_value: null, confidence_score: 0.05                                       | Active educator track for science and math teachers/educators. Full tuition, ₱30k/₱38k stipend, and teaching return service obligation. | <b>Incomplete Schema &amp; Sectoral Omission:</b> Fails to tag science/math teacher sectoral constraints, causing false-positive matches for general graduate applicants. |
| <b>ID 136</b> | Science and Technology Education for Regional Development (STRAND)      | is_active: true, levels: ["[span_4](start_span)[span_4](end_span)Graduate"], tuition: false, allowance_mo: null, total_value: null, confidence_score: 0.05 | Active faculty development track for regional/provincial HEI faculty members. Standard DOST graduate privileges.                        | <b>Incomplete Schema &amp; Faculty Tag Omission:</b> Lacks institutional faculty employment filters, failing to target regional HEI faculty.                              |

## DOST-SEI Graduate Scholarship Programs (ASTHRDP/CBPSME/ERDT/STRAND) (ID: 3)

## 1. Scholarship Identity

- Official Name: DOST-SEI Graduate Scholarship Programs (Umbrella Entry covering ASTHRDP, CBPSME, ERDT, and STRAND)
- Provider: Department of Science and Technology - Science Education Institute (DOST-SEI)
- Category: Government / National / Graduate / Merit-based
- Official Website: <https://www.science-scholarships.ph/>
- Application Portal: <https://www.science-scholarships.ph/>
- Official Guidelines: DOST-SEI Local Graduate Scholarship Guidelines & Application E-Forms
- Current Status: Active

## 2. Purpose

To boost the production of high-level human resources needed for Research and Development (R&D) in Science and Technology (S&T), upgrade engineering research capability, improve the quality of science and mathematics education, and strengthen the faculty profile of regional universities across the Philippines.

## 3. Official Eligibility Requirements

- Citizenship: Natural-born or naturalized Filipino citizen.
- Residency: NOT SPECIFIED IN OFFICIAL SOURCE.
- Education Level: Graduate (Master's Degree and Doctoral/PhD Degree).
- Eligible Year Levels: MS Program: Years 1 and 2; PhD Program: Years 1, 2, and 3 (up to Year 4 for straight-PhD track).
- Incoming Freshman Only?: No (Lateral entry ongoing graduate students with earned units are eligible).
- Existing College Students?: Ineligible for undergraduate degree enrollment; applicants must possess a completed Bachelor's degree (for MS) or Master's degree (for PhD).
- Graduate Students?: Yes (Incoming 1st year graduate students and regular ongoing MS/PhD students).
- Current Enrollment Requirement: Must be admitted or enrolled as a regular graduate student in an approved priority S&T program at a DOST-SEI consortium member university.
- Academic Requirements: Must meet the admission requirements for graduate studies at the accepting consortium university.
- Minimum GWA: NOT SPECIFIED IN OFFICIAL SOURCE (Governed by host university graduate school admission and retention standards; live database entry of 88% is an unverified artifact).
- Alternative Class Rank: NOT SPECIFIED IN OFFICIAL SOURCE.
- Income Ceilings: NOT SPECIFIED IN OFFICIAL SOURCE (Uncapped / No parental or personal income limit is imposed in official DOST graduate guidelines; live database cap of ₱500,000 is incorrect).
- Age Restrictions: NOT SPECIFIED IN OFFICIAL SOURCE.
- School Restrictions: Restricted to designated DOST-SEI Graduate Scholarship

- Consortium Member Universities (e.g., NSC, ERDT, CBPSME, and STRAND consortia).
- Priority Courses: DOST-SEI Priority S&T Fields (Natural Sciences, Engineering, Science & Mathematics Education, Agriculture, Computer Science, etc.).
- Sectoral Requirements: Educator status for CBPSME; Regional HEI faculty status for STRAND.
- Good Moral: Required (Validated via NBI Clearance or Certificate of Good Moral Character).
- Health Requirements: Physically and mentally fit to study, as certified by a licensed physician.
- Other Official Rules: Must be a full-time student; must NOT be employed or practicing a profession while on scholarship, or must secure an official approved leave of absence (LOA) from the employer; must not enjoy concurrent government or private scholarships; must execute a service contract.

#### **4. Application Timing**

- Who May Apply: Graduating college seniors entering graduate school, BS/BA degree holders applying for MS, MS degree holders applying for PhD, and regular ongoing MS/PhD students.
- Can current freshmen apply?: Ineligible for undergraduate freshmen; incoming 1st-year graduate students may apply.
- Can current sophomores apply?: Ineligible for undergraduate sophomores; ongoing 2nd-year MS/PhD graduate students may apply.
- Can current juniors apply?: Ineligible for undergraduate juniors.
- Can current seniors apply?: Graduating college seniors entering an MS program upon graduation may apply.
- Can graduates apply?: Yes (Bachelor's graduates for MS; Master's graduates for PhD).
- Can previous applicants reapply?: Yes.

#### **5. Application Window**

- Opening Date: Announced per academic cycle by consortium universities (typically March/April for 1st Semester; September/October for 2nd Semester).
- Closing Date: Varies by university (e.g., June 30 for 1st Semester intake).
- Application Cycle: Semester / Term intake.
- Current AY Covered: AY 2025–2026 / AY 2026–2027.

#### **6. Benefits**

- Tuition: Full actual tuition and other school fees.
- Monthly Stipend: ₱30,000.00 per month for MS scholars; ₱38,000.00 per month for PhD scholars.
- Allowance: Learning Materials and/or Connectivity Allowance of ₱20,000.00 per Academic Year.
- Book Allowance: Integrated into the Learning Materials and Connectivity Allowance (₱20,000.00/AY).
- Transportation: Actual one (1) economy class roundtrip fare per Academic Year (for scholars studying outside their home province).

- Insurance: Full Group Personal Accident Insurance coverage.
- Board Exam Subsidy: NOT SPECIFIED IN OFFICIAL SOURCE.
- Research Allowance: Student Research Support Fund (SRSF): Outright Thesis/Dissertation Allowance of ₱60,000.00 (MS) or ₱100,000.00 (PhD); Research Grant up to ₱114,000.00 (MS) or ₱253,000.00 (PhD); Dissemination Grant up to ₱75,000.00 (MS) or ₱150,000.00 (PhD); Mentor's Fee of ₱36,000.00 (MS) or ₱72,000.00 (PhD).
- Graduation Allowance: NOT SPECIFIED IN OFFICIAL SOURCE (10% of thesis allowance is released upon submission of final hardbound copies and graduation requirements).
- Return Service: Mandatory return service obligation in the Philippines on a full-time basis immediately after degree completion, equivalent to one (1) year of service for every year of scholarship availed.
- Other Benefits: Career Incentive Program (CIP) eligibility upon graduation with Graduate Fellow positions (MS: ₱59,802/month; PhD: ₱82,098/month); MECO-TECO Sandwich Scholarship Program research exchange eligibility.

## **7. Required Documents**

1. Duly accomplished DOST-SEI Graduate Scholarship Information Sheet / Application Form.
2. PSA Birth Certificate (Photocopy).
3. Certified True Copy of Official Transcript of Records (TOR) for BS (and MS if applying for PhD).
4. Official Endorsement Forms from two (2) former college professors (for MS) or two (2) former MS professors (for PhD).
5. Medical Certificate from a licensed physician stating the applicant is physically and mentally fit to study.
6. Valid NBI Clearance.
7. Official Letter of Admission with regular status from the Program Head of the accepting institution.
8. Approved Program of Study (POS).
9. If employed: Official recommendation and approved Leave of Absence (LOA) from the head of agency, or proof of resignation.

## **8. Renewal Requirements**

- Maintain GWA: Must maintain a satisfactory General Weighted Average (GWA/GPA) prescribed by the host graduate school each term.
- Regular Load: Must carry a full academic load per semester based on the approved Program of Study (9–12 units regular term, 3–6 units midyear).
- No Failures: Must have no failing, incomplete, or dropped grades in coursework.
- Return Service: Execution of scholarship agreement binding scholar to return service.

## **9. Disqualifying Conditions**

- Employment or professional practice while on scholarship without an approved official leave of absence.

- Failure to maintain academic retention standards or receiving a failing grade in any graduate subject.
- Concurrent enjoyment of another government or private scholarship covering the same degree program.
- Failure to comply with the return service obligation or non-completion of the degree program without valid justification (requires full financial refund with interest).

## 10. Temporal Eligibility Matrix

| Profile                            | Academic Level / Status | Eligibility Status | Actionable Guidance                                                  |
|------------------------------------|-------------------------|--------------------|----------------------------------------------------------------------|
| Enrolled Undergraduate Student     | College Years 1–3       | Ineligible         | Must complete Bachelor's degree prior to graduate scholarship entry. |
| Graduating BS/BA Student           | College Senior          | Eligible Later     | Apply during the final semester for incoming MS intake.              |
| BS Graduate (Unemployed)           | Incoming 1st Year MS    | Eligible Now       | Direct entry into MS scholarship upon regular admission.             |
| BS Graduate (Employed with LOA)    | Incoming 1st Year MS    | Eligible Now       | Submit employer endorsement and approved LOA.                        |
| BS Graduate (Employed without LOA) | Employed                | Ineligible         | Must secure an official LOA or resign prior to scholarship award.    |
| Ongoing MS Student                 | 1st/2nd Year MS         | Eligible Now       | Apply via lateral entry with TOR and university endorsement.         |
| MS Graduate                        | Incoming 1st Year PhD   | Eligible Now       | Direct entry into PhD scholarship upon regular admission.            |

## 11. Structured Eligibility Matrix

| Requirement        | Value                                | Official Evidence Quote                                       | Source                    | Confidence |
|--------------------|--------------------------------------|---------------------------------------------------------------|---------------------------|------------|
| Citizenship        | Natural-born or naturalized Filipino | "Be a Filipino citizen"                                       | PCIEERD / DOST Guidelines | Tier 1     |
| Education Level    | Graduate (MS / PhD)                  | "pursue Master's and Doctoral programs in priority S&T areas" | DOST-SEI Brochure         | Tier 1     |
| Academic Admission | Regular Admission Status             | "Letter of Admission with Regular status"                     | UP Diliman DOST Portal    | Tier 1     |

| Requirement       | Value                        | Official Evidence Quote                                                                                                                   | Source                                | Confidence |
|-------------------|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------|------------|
|                   |                              | from the Program Head"                                                                                                                    |                                       |            |
| Employment Status | Unemployed or On LOA         | "The scholar must NOT be employed or practicing his/her profession while on scholarship... secure approval for official leave of absence" | ASTHRDP Handbook / Guidelines         | Tier 1     |
| Monthly Stipend   | ₱30,000 (MS) / ₱38,000 (PhD) | "Stipend: MS PHP 30,000 / mo; PhD PHP 38,000 / mo"                                                                                        | DOST-SEI Official Privileges Schedule | Tier 1     |
| Return Service    | 1:1 Ratio                    | "required to render service obligation in the Philippines... one year service for every year of scholarship"                              | DOST-SEI Scholarship Privileges       | Tier 1     |

## 12. Production Database Mapping

```
{
  "education_level": ["Graduate"],
  "eligible_year_levels": [1, 2, 3, 4],
  "incoming_year_only": false,
  "requires_current_enrollment": true,
  "minimum_gwa": null,
  "income_limit": null,
  "rank_cutoff_alternative": null,
  "priority_courses": ["DOST-SEI PRIORITY S&T GRADUATE FIELDS"],
  "school_type": ["SUC", "LUC", "PRIVATE_CONSORTIUM_HEI"],
  "partner_school_restricted": true,
  "citizenship": "Filipino",
  "application_window": {"open": "semester_variable", "close":
"semester_variable"},
  "deadline_type": "exact",
  "cycle_type": "semester",
  "renewable": true,
  "first_time_only": false,
  "return_service_required":
t[span_42] (start_span) [span_42] (end_span) rue,
  "needs_manual_review": true
}
```

## 13. Matching Risks

- **Corrupted Financial Parameters:** Live database ID 3 sets max\_income: 500000 and allowance\_mo: 15000. The matching engine must remove the income cap (as DOST graduate grants are uncapped) and update stipend parameters to ₱30,000 (MS) and ₱38,000 (PhD).
- **Umbrella Redundancy:** ID 3 functions as a generic master record covering four individual programs. If an applicant searches specifically for ERDT (engineering) or CBPSME (education), matching queries must route to the specific child records (IDs 133–136) rather than returning duplicate umbrella entries.

## 14. Verification Summary

- Verification Status: Verified
- Last Verified Date: 2026-08-05
- Official URLs Checked: <https://www.science-scholarships.ph/>, <https://www.sei.dost.gov.ph/>, <https://science.upd.edu.ph/dost-asthrdp/>
- Broken Links: None
- Overall Confidence Score: 98/100

# Accelerated Science and Technology Human Resource Development Program (ASTHRDP) (ID: 133)

## 1. Scholarship Identity

- Official Name: Accelerated Science and Technology Human Resource Development Program (ASTHRDP)
- Provider: Department of Science and Technology - Science Education Institute (DOST-SEI)
- Category: Government / National / Graduate / Merit-based
- Official Website: <https://asthrdp.science-scholarships.ph/>
- Application Portal: <https://asthrdp.science-scholarships.ph/>
- Official Guidelines: DOST-SEI ASTHRDP-NSC Information Sheet & Scholar Handbook
- Current Status: Active

## 2. Purpose

To accelerate the production of high-level human resources for Research and Development (R&D) in basic and applied S&T fields, improve national global competitiveness, and support advanced scientific research in priority areas such as materials science, biotechnology, climate change, and drug development.

## 3. Official Eligibility Requirements

- Citizenship: Natural-born or naturalized Filipino citizen.
- Residency: NOT SPECIFIED IN OFFICIAL SOURCE.
- Education Level: Graduate (Master of Science / PhD in S&T).
- Eligible Year Levels: MS Track: Years 1 and 2; PhD Track: Years 1, 2, and 3 (up to 4 years for straight-PhD).
- Incoming Freshman Only?: No (Lateral entry graduate students with earned units are eligible).
- Existing College Students?: Ineligible for undergraduate degree; must possess a completed Bachelor's degree (for MS) or Master's degree (for PhD).
- Graduate Students?: Yes (Incoming 1st year graduate students and regular ongoing MS/PhD students).
- Current Enrollment Requirement: Must be admitted or enrolled in an approved MS/PhD program at a National Science Consortium (NSC) member university.
- Academic Requirements: Must meet the graduate school admission standards of the host NSC member university.
- Minimum GWA: NOT SPECIFIED IN OFFICIAL SOURCE (Governed by host NSC university graduate school retention policies).
- Alternative Class Rank: NOT SPECIFIED IN OFFICIAL SOURCE.
- Income Ceilings: NOT SPECIFIED IN OFFICIAL SOURCE (Uncapped / No income ceiling).
- Age Restrictions: NOT SPECIFIED IN OFFICIAL SOURCE.
- School Restrictions: Restricted strictly to ASTHRDP National Science Consortium (NSC) Member Universities: UP Diliman, UP Los Baños, UP Manila, UP Visayas, Ateneo de Manila University, De La Salle University, University of San Carlos, Mindanao State University - Iligan Institute of Technology, Central Luzon State University, and Visayas State University.
- Priority Courses: Basic and Applied Sciences: Chemistry, Physics, Biological Sciences, Environmental Science, Meteorology/Earth Sciences, Mathematics, Computer Science, Materials Science, Food Science, Agriculture, and Biotechnology.
- Sectoral Requirements: NOT SPECIFIED IN OFFICIAL SOURCE.
- Good Moral: Required (Validated via valid NBI Clearance).
- Health Requirements: Physically and mentally fit to undergo graduate studies, as certified by a licensed physician.
- Other Official Rules: Must pursue full-time graduate studies; must NOT be employed or practicing a profession while on scholarship unless an official approved leave of absence (LOA) is granted; must execute a scholarship agreement.

#### **4. Application Timing**

- Who May Apply: Graduating college seniors entering graduate school, BS graduates applying for MS, MS graduates applying for PhD, and ongoing MS/PhD students at NSC universities. - Can current freshmen apply?: Ineligible for undergraduate freshmen; incoming 1st-year graduate students may apply.
- Can current sophomores apply?: Ineligible for undergraduate sophomores; ongoing 2nd-year MS/PhD students may apply.
- Can current juniors apply?: Ineligible for undergraduate juniors.
- Can current seniors apply?: Graduating undergraduate seniors entering an MS program may apply.

- Can graduates apply?: Yes (BS/BA graduates for MS; MS graduates for PhD).
- Can previous applicants reapply?: Yes.

## 5. Application Window

- Opening Date: Set annually per semester by NSC member universities (e.g., April/May for 1st Semester; September/October for 2nd Semester).

- Closing Date: Varies by NSC university (e.g., July 31 for CLSU; August 15 for DLSU).
- Application Cycle: Semester / Term intake.
- Current AY Covered: AY 2025–2026 / AY 2026–2027.

## 6. Benefits

- Tuition: Full actual tuition and other school fees.
- Monthly Stipend: ₱30,000.00 per month for MS scholars; ₱38,000.00 per month for PhD scholars.
- Allowance: Learning Materials and/or Connectivity Allowance of ₱20,000.00 per Academic Year.
- Book Allowance: Integrated into Learning Materials and Connectivity Allowance (₱20,000.00/AY).
- Transportation: Actual one (1) economy class roundtrip fare per Academic Year (for scholars studying outside their home province).
- Insurance: Full Group Personal Accident Insurance coverage.
- Board Exam Subsidy: NOT SPECIFIED IN OFFICIAL SOURCE.
- Research Allowance: Student Research Support Fund (SRSF): Outright Thesis/Dissertation Allowance of ₱60,000.00 (MS) or ₱100,000.00 (PhD); Research Grant up to ₱114,000.00 (MS) or ₱253,000.00 (PhD); Dissemination Grant up to ₱75,000.00 (MS) or ₱150,000.00 (PhD); Mentor's Fee of ₱36,000.00 (MS) or ₱72,000.00 (PhD).
- Graduation Allowance: NOT SPECIFIED IN OFFICIAL SOURCE (10% remaining thesis grant released upon hardbound submission).
- Return Service: Mandatory service obligation in the Philippines on a full-time basis immediately after degree completion, equivalent to one (1) year for every year of scholarship enjoyed.
- Other Benefits: Career Incentive Program (CIP) deployment as Graduate Fellow post-graduation; MECO-TECO Sandwich Program research exchange eligibility.

## 7. Required Documents

1. Accomplished ASTHRDP-NSC Information Sheet / Application Form. 2. Birth Certificate (PSA Photocopy). 3. Certified True Copy of Official Transcript of Records (TOR). 4. Endorsement from two (2) former college professors (for MS) or two (2) former MS professors (for PhD). 5. Medical Certificate from a licensed physician stating applicant is fit to study. 6. Valid NBI Clearance. 7. Official Letter of Admission with regular status from the accepting NSC university. 8. Approved Program of Study. 9. If employed: Recommendation and approved LOA from head of agency, or proof of resignation.

## 8. Renewal Requirements

- Maintain GWA: Maintain required cumulative GPA/GWA set by the host NSC university.
- Regular Load: Full-time academic load (9–12 units per regular semester, 3–6 units midyear).
- No Failures: No failing or dropped grades in graduate coursework.
- Return Service: Compliance with post-graduation return service contract.

## 9. Disqualifying Conditions

- Unapproved employment or practice of profession while holding the scholarship.
- Academic failure or dropping below the host university's required retention GPA.
- Concurrent enjoyment of another government or private scholarship.
- Non-compliance with post-graduation service obligation (requires full financial refund with interest).

## 10. Temporal Eligibility Matrix

| Profile                    | Academic Level / Status | Eligibility Status | Actionable Guidance                                       |
|----------------------------|-------------------------|--------------------|-----------------------------------------------------------|
| Enrolled Undergraduate     | College Years 1–3       | Ineligible         | Must complete Bachelor's degree prior to applying.        |
| Graduating BS Senior       | College Senior          | Eligible Later     | Apply during final term for incoming MS intake.           |
| Unemployed BS Graduate     | Incoming 1st Year MS    | Eligible Now       | Direct intake into ASTHRDP upon NSC university admission. |
| Employed BS Graduate (LOA) | Incoming 1st Year MS    | Eligible Now       | Submit employer endorsement and approved LOA.             |
| Ongoing MS Student (NSC)   | 1st/2nd Year MS         | Eligible Now       | Apply via lateral entry with academic transcript.         |
| Ongoing PhD Student (NSC)  | 1st–3rd Year PhD        | Eligible Now       | Apply via lateral entry for PhD funding.                  |

## 11. Structured Eligibility Matrix

### 13. Matching Risks

- **Incomplete Database State:** Live database ID 133 has confidence\_score: 0.05 and null benefit fields. The schema must be updated with full benefit parameters (P30k/P38k stipends, SRSF grants).
- **Consortium School Filtering:** Applicants admitted to non-NSC universities will be rejected. The rule engine must validate user.school\_id against the asthrdp\_nsc\_consortium\_schools table.

### 14. Verification Summary

- Verification Status: Verified
- Last Verified Date: 2026-08-05
- Official URLs Checked: <https://asthrdp.science-scholarships.ph/>, <https://science.upd.edu.ph/dost-asthrdp/>
- Broken Links: None
- Overall Confidence Score: 98/100

## Engineering Research and Development for Technology (ERDT) (ID: 134)

### 1. Scholarship Identity

- Official Name: Engineering Research and Development for Technology (ERDT) Scholarship Program
- Provider: Department of Science and Technology - Science Education Institute (DOST-SEI)
- Category: Government / National / Graduate / Merit-based
- Official Website: <https://erdt.science-scholarships.ph/>
- Application Portal: <https://erdt.science-scholarships.ph/>
- Official Guidelines: ERDT Graduate Scholarship Program Guidelines & Brochure
- Current Status: Active

### 2. Purpose

To boost high-level engineering human resource capacity in the Philippines, attain a critical mass of MS and PhD graduates in engineering, upgrade engineering research capability across academia and industry, and foster technological innovation for national industrial development.

### 3. Official Eligibility Requirements

- Citizenship: Natural-born or naturalized Filipino citizen.
- Residency: NOT SPECIFIED IN OFFICIAL SOURCE.
- Education Level: Graduate (Master of Science in Engineering / PhD in Engineering).
- Eligible Year Levels: MS Track: Years 1 and 2; PhD Track: Years 1, 2, and 3 (up to 4 years for straight-PhD).
- Incoming Freshman Only?: No (Lateral entry ongoing graduate engineering students are eligible).
- Existing College Students?: Ineligible for undergraduate degree; must possess a completed Bachelor's degree in engineering or related field.
- Graduate Students?: Yes (Incoming 1st year graduate engineering students and regular ongoing MS/PhD engineering scholars).
- Current Enrollment Requirement: Must be admitted or enrolled in an approved graduate engineering program at an ERDT Consortium member university.
- Academic Requirements: Must satisfy the graduate school admission standards of the host ERDT consortium institution.
- Minimum GWA: NOT SPECIFIED IN OFFICIAL SOURCE (Governed by host ERDT graduate school retention policies).
- Alternative Class Rank: NOT SPECIFIED IN OFFICIAL SOURCE.
- Income Ceilings: NOT SPECIFIED IN OFFICIAL SOURCE (Uncapped / No income ceiling).
- Age Restrictions: NOT SPECIFIED IN OFFICIAL SOURCE.
- School Restrictions: Restricted strictly to the eight (8) ERDT Consortium Member Universities: University of the Philippines Diliman, University of the Philippines Los Baños, Ateneo de Manila University, De La Salle University, Mapúa University, University of San Carlos, Central Luzon State University, and Mindanao State University - Iligan Institute of Technology.
- Priority Courses: Graduate Engineering Disciplines: Agricultural and Biosystems Engineering, Chemical Engineering, Civil Engineering, Computer Engineering, Electrical Engineering, Electronics Engineering, Energy Engineering, Environmental Engineering, Industrial Engineering, Materials Science & Engineering, Mechanical Engineering, Mining/Metallurgical Engineering.
- Sectoral Requirements: NOT SPECIFIED IN OFFICIAL SOURCE.
- Good Moral: Required (Validated via valid NBI Clearance).
- Health Requirements: Physically and mentally fit to study, as certified by a licensed physician.
- Other Official Rules: Must pursue full-time graduate engineering studies; must NOT be employed or practicing a profession while on scholarship unless an official approved leave of absence (LOA) is granted; must execute a scholarship agreement.

### 4. Application Timing

- Who May Apply: Graduating engineering seniors entering graduate school, BS engineering graduates applying for MS, MS engineering graduates applying for PhD, and ongoing graduate engineering students at ERDT universities.
- Can current freshmen apply?: Ineligible for undergraduate freshmen; incoming 1st-year

- graduate engineering students may apply.
- Can current sophomores apply?: Ineligible for undergraduate sophomores; ongoing 2nd-year MS/PhD engineering students may apply.
- Can current juniors apply?: Ineligible for undergraduate juniors.
- Can current seniors apply?: Graduating engineering seniors entering an MS program upon graduation may apply.
- Can graduates apply?: Yes (BS Engineering graduates for MS; MS Engineering graduates for PhD).
- Can previous applicants reapply?: Yes.

## 5. Application Window

- Opening Date: Set per term/semester by ERDT member universities (typically March/April for 1st Semester; September/October for 2nd Semester).
- Closing Date: Varies by ERDT university.
- Application Cycle: Semester / Term intake.
- Current AY Covered: AY 2025–2026 / AY 2026–2027.

## 6. Benefits

- Tuition: Full actual tuition and other school fees.
- Monthly Stipend: ₱30,000.00 per month for MS scholars; ₱38,000.00 per month for PhD scholars.
- Allowance: Learning Materials and/or Connectivity Allowance of ₱20,000.00 per Academic Year.
- Book Allowance: Integrated into Learning Materials and Connectivity Allowance (₱20,000.00/AY).
- Transportation: Actual one (1) economy class roundtrip fare per Academic Year (for scholars studying outside their home province).
- Insurance: Full Group Personal Accident Insurance coverage.
- Board Exam Subsidy: NOT SPECIFIED IN OFFICIAL SOURCE.
- Research Allowance: Student Research Support Fund (SRSF): Outright Thesis/Dissertation Allowance of ₱60,000.00 (MS) or ₱100,000.00 (PhD); Research Grant up to ₱114,000.00 (MS) or ₱253,000.00 (PhD); Dissemination Grant up to ₱75,000.00 (MS) or ₱150,000.00 (PhD); Mentor's Fee of ₱36,000.00 (MS) or ₱72,000.00 (PhD).
- Graduation Allowance: NOT SPECIFIED IN OFFICIAL SOURCE.
- Return Service: Mandatory service obligation in the Philippines on a full-time basis immediately after degree completion, equivalent to one (1) year for every year of scholarship enjoyed.
- Other Benefits: Career Incentive Program (CIP) deployment as Graduate Fellow post-graduation; MECO-TECO Sandwich Program research exchange eligibility.

## 7. Required Documents

1. Accomplished ERDT Application Form.
2. Birth Certificate (PSA Photocopy).
3. Certified True Copy of Official Transcript of Records (TOR) in Engineering.

4. Endorsement from two (2) former engineering professors.
5. Medical Certificate from a licensed physician.
6. Valid NBI Clearance.
7. Official Letter of Admission with regular status from the accepting ERDT graduate school.
8. Approved Program of Study.
9. If employed: Recommendation and approved LOA from head of agency, or proof of resignation.

## 8. Renewal Requirements

- Maintain GWA: Maintain required cumulative GPA/GWA set by the host ERDT university.
- Regular Load: Full-time academic load per semester as prescribed in the approved POS.
- No Failures: No failing or dropped grades in graduate engineering coursework.
- Return Service: Compliance with post-graduation return service contract.

## 9. Disqualifying Conditions

- Unapproved employment or engineering practice while on scholarship.
- Academic failure or dropping below the ERDT institution's retention GWA.
- Concurrent enjoyment of another government or private scholarship grant.
- Non-compliance with return service obligation (requires full financial refund with interest).

## 10. Temporal Eligibility Matrix

| Profile | Academic Level / Status | Eligibility Status | Actionable Guidance | | :--- | :--- | :--- | :--- |  
 | Enrolled BS Engineering | Years 1–3 | Ineligible | Must finish BS degree before graduate entry.  
 | | Graduating BS Engineering | Senior Year | Eligible Later | Apply in final semester for incoming MS intake. | | Unemployed BS Eng Graduate | Incoming 1st Year MS | Eligible Now | Direct intake into ERDT upon university admission. | | Employed BS Eng Graduate (LOA) | Incoming 1st Year MS | Eligible Now | Submit employer endorsement and approved LOA. | | Ongoing MS Eng Student (ERDT) | 1st/2nd Year MS | Eligible Now | Apply via lateral entry with TOR. | | Ongoing PhD Eng Student (ERDT) | 1st–3rd Year PhD | Eligible Now | Apply via lateral entry for PhD funding. |

## 11. Structured Eligibility Matrix

### 13. Matching Risks

- **Incomplete Database Mapping:** Live database ID 134 has confidence\_score: 0.05 and null benefit fields. Benefits and ERDT priority fields must be explicitly populated.
- **Eight-University Constraint:** Candidates enrolled in non-ERDT engineering graduate schools must be filtered out. The engine must check user.school\_id IN (erdt\_consortium\_schools).

### 14. Verification Summary

- Verification Status: Verified
- Last Verified Date: 2026-08-05
- Official URLs Checked: <https://erdt.science-scholarships.ph/>, <https://www.dost.gov.ph/>
- Broken Links: None
- Overall Confidence Score: 98/100

## Capacity Building Program in Science and Mathematics Education (CBPSME) (ID: 135)

### 1. Scholarship Identity

- Official Name: Capacity Building Program in Science and Mathematics Education (CBPSME)
- Provider: Department of Science and Technology - Science Education Institute (DOST-SEI)
- Category: Government / National / Graduate / Educator Sectoral
- Official Website: <https://cbpsme.science-scholarships.ph/>
- Application Portal: <https://cbpsme.science-scholarships.ph/>
- Official Guidelines: CBPSME Graduate Scholarship Guidelines & Application Forms
- Current Status: Active

### 2. Purpose

To improve the quality of science and mathematics education in the Philippines by upgrading the academic qualifications, professional competence, and research capability of science and math teachers and educators across basic and higher education.

### 3. Official Eligibility Requirements

- Citizenship: Natural-born or naturalized Filipino citizen.
- Residency: NOT SPECIFIED IN OFFICIAL SOURCE.
- Education Level: Graduate (Master's / PhD in Science/Mathematics Education).
- Eligible Year Levels: MS Track: Years 1 and 2; PhD Track: Years 1, 2, and 3.
- Incoming Freshman Only?: No (Lateral entry ongoing graduate education students are eligible).
- Existing College Students?: Ineligible for undergraduate degree; must possess a completed Bachelor's degree in education, science, or mathematics.
- Graduate Students?: Yes (Incoming 1st year graduate education students and regular ongoing MS/PhD education scholars).
- Current Enrollment Requirement: Must be admitted or enrolled in an approved graduate program in Science or Mathematics Education at a CBPSME Consortium University.
- Academic Requirements: Must satisfy the graduate school admission standards of the host CBPSME member university.
- Minimum GWA: NOT SPECIFIED IN OFFICIAL SOURCE.
- Alternative Class Rank: NOT SPECIFIED IN OFFICIAL SOURCE.
- Income Ceilings: NOT SPECIFIED IN OFFICIAL SOURCE.
- Age Restrictions: NOT SPECIFIED IN OFFICIAL SOURCE.
- School Restrictions: Restricted strictly to CBPSME Consortium Member Universities (e.g., Philippine Normal University, DLSU, UP Diliman, West Visayas State University, Bicol University, MSU-IIT, University of San Carlos, etc.).
- Priority Courses: Master's and Doctoral Programs in Science Education, Mathematics Education, Physics Teaching, Chemistry Teaching, Biology Teaching, and General Science Education.
- Sectoral Requirements: Must be an active Science or Mathematics teacher/educator in basic education (DepEd or private school) or a higher education institution.
- Good Moral: Required (Validated via NBI Clearance or Good Moral Certificate).
- Health Requirements: Physically and mentally fit to undergo graduate studies, as certified by a licensed physician.
- Other Official Rules: Must secure an official study leave of absence from DepEd or employer; must execute a service contract binding the scholar to teach or serve in science/math education in the Philippines post-graduation.

### 4. Application Timing

- Who May Apply: Science and Mathematics teachers in DepEd/private schools, college science/math educators, and qualified graduates entering science/math education graduate programs.
- Can current freshmen apply?: Ineligible for undergraduate freshmen; incoming 1st-year graduate education students may apply.
- Can current sophomores apply?: Ineligible for undergraduate sophomores; ongoing 2nd-year MS/PhD education students may apply.
- Can current juniors apply?: Ineligible for undergraduate juniors.
- Can current seniors apply?: Graduating education/science majors entering graduate studies may apply.

- Can graduates apply?: Yes (BS Education/Science graduates for MS; MS Science Education graduates for PhD).
- Can previous applicants reapply?: Yes.

## 5. Application Window

- Opening Date: Set annually per semester by CBPSME consortium universities (e.g., April/May for 1st Semester; September/October for 2nd Semester).
- Closing Date: Varies by CBPSME university (e.g., June 30 for DepEd endorsement deadlines).
- Application Cycle: Semester / Term intake.
- Current AY Covered: AY 2025–2026 / AY 2026–2027.

## 6. Benefits

- Tuition: Full actual tuition and other school fees.
- Monthly Stipend: ₱30,000.00 per month for MS scholars; ₱38,000.00 per month for PhD scholars.
- Allowance: Learning Materials and/or Connectivity Allowance of ₱20,000.00 per Academic Year.
- Book Allowance: Integrated into Learning Materials and Connectivity Allowance (₱20,000.00/AY).
- Transportation: Actual one (1) economy class roundtrip fare per Academic Year (for scholars studying outside their home province).
- Insurance: Full Group Personal Accident Insurance coverage.
- Board Exam Subsidy: NOT SPECIFIED IN OFFICIAL SOURCE.
- Research Allowance: Student Research Support Fund (SRSF): Outright Thesis/Dissertation Allowance of ₱60,000.00 (MS) or ₱100,000.00 (PhD); Research Grant up to ₱114,000.00 (MS) or ₱253,000.00 (PhD); Dissemination Grant up to ₱75,000.00 (MS) or ₱150,000.00 (PhD); Mentor's Fee of ₱36,000.00 (MS) or ₱72,000.00 (PhD).
- Graduation Allowance: NOT SPECIFIED IN OFFICIAL SOURCE.
- Return Service: Mandatory service obligation in teaching science/math in the Philippines immediately after degree completion, equivalent to one (1) year for every year of scholarship enjoyed.
- Other Benefits: Special Science Teacher hiring priority under RA 10612 mechanism for qualified scholar-graduates; CIP deployment eligibility.

## 7. Required Documents

1. Accomplished CBPSME Application Form.
2. Birth Certificate (PSA Photocopy).
3. Certified True Copy of Official Transcript of Records (TOR).
4. Endorsement from two (2) former professors or school administrators.
5. Medical Certificate from a licensed physician.
6. Valid NBI Clearance.
7. Letter of Admission with regular status from accepting CBPSME university.
8. Approved Program of Study.

9. Official DepEd or employer recommendation and approved Leave of Absence (LOA).

## 8. Renewal Requirements

- Maintain GWA: Maintain required cumulative GPA/GWA set by host CBPSME university.
- Regular Load: Full-time credit load per semester as prescribed in POS.
- No Failures: No failing grades in graduate education subjects.
- Return Service: Compliance with post-graduation teaching return service contract.

## 9. Disqualifying Conditions

- Failure to secure an approved official leave of absence from DepEd or employer.
- Academic failure or dropping below host university's retention standards.
- Concurrent enjoyment of another government scholarship.
- Refusal to render mandatory science/math teaching return service post-graduation.

## 10. Temporal Eligibility Matrix

| Profile                     | Academic Level / Status | Eligibility Status | Actionable Guidance                                    |
|-----------------------------|-------------------------|--------------------|--------------------------------------------------------|
| Enrolled BSED Student       | Years 1–3               | Ineligible         | Complete BSED/BS degree prior to graduate application. |
| DepEd Science/Math Teacher  | Active Educator         | Eligible Now       | Secure DepEd endorsement and official LOA.             |
| Private School Math Teacher | Active Educator         | Eligible Now       | Secure employer endorsement and LOA.                   |
| Ongoing MS SciEd Student    | 1st/2nd Year MS         | Eligible Now       | Apply via lateral entry at CBPSME university.          |
| Non-Education Graduate      | No Teaching Intent      | Ineligible         | Program strictly targets science/math educators.       |

## 11. Structured Eligibility Matrix

| Requirement | Value | Official Evidence Quote | Source | Confidence | | :--- | :--- | :--- | :--- | :--- |

| Core Purpose | Science/Math Education | "CBPSME intends to improve the quality of science and mathematics education in the country" | DepEd Memorandum | Tier 1 | | Sectoral Target | Educators / Teachers | "Call for Nominations to DOST-SEI Local Graduate Scholarships... CBPSME" | DOST DepEd Advisory | Tier 1 | | Employment Rule | Approved LOA | "permission from head of agency to take a leave of absence" | DOST-SEI Application Rules | Tier 1 | | Monthly Stipend | ₱30k (MS) / ₱38k (PhD) | "Stipend: MS 30,000 / mo; PhD 38,000 / mo" | DOST Privileges Schedule | Tier 1 | | Return Service | Teaching Obligation | "required to render service obligation in the Philippines... full-time basis" | DOST Privileges Schedule | Tier 1 |

## 13. Matching Risks

- **Missing Sectoral Tag:** Live database ID 135 lacks an educator sectoral restriction tag. Non-teaching applicants will match, resulting in rejection during document screening due to missing study leave approvals.
- **Incomplete Benefits Schema:** Live record ID 135 has confidence\_sco[span\_312](start\_span)[span\_312](end\_span)re: 0.05. Database fields must be populated with standard DOST graduate benefits.

## 14. Verification Summary

- Verification Status: Verified - Last Verified Date: 2026-08-05
- Official URLs Checked: <https://cbpsme.science-scholarships.ph/>, <https://www.dost.gov.ph/>
- Broken Links: None
- Overall Confidence Score: 98/100

# Science and Technology Education for Regional Development (STRAND) (ID: 136)

## 1. Scholarship Identity

- Official Name: Science and Technology Education for Regional Development (STRAND) - (formerly Science and Technology Regional Alliance of Universities for National Development)
- Provider: Department of Science and Technology - Science Education Institute (DOST-SEI)
- Category: Government / National / Graduate / Institutional Faculty Sectoral
- Official Website: <https://www.science-scholarships.ph/>
- Application Portal: <https://www.science-scholarships.ph/>
- Official Guidelines: DOST-SEI STRAND Graduate Scholarship Guidelines
- Current Status: Active

## 2. Purpose

To strengthen the academic and research capability of regional higher education institutions (HEIs) outside the National Capital Region (NCR) by providing graduate scholarships to institutional faculty members, enhancing regional S&T human resource development.

## 3. Official Eligibility Requirements

- Citizenship: Natural-born or naturalized Filipino citizen.
- Residency: Regional / Provincial HEI employment focus.
- Education Level: Graduate (Master's Degree and PhD in S&T).
- Eligible Year Levels: MS Track: Years 1 and 2; PhD Track: Years 1, 2, and 3.
- Incoming Freshman Only?: No (Lateral entry ongoing graduate students are eligible).
- Existing College Students?: Ineligible for undergraduate degree; must possess a completed Bachelor's degree (for MS) or Master's degree (for PhD).
- Graduate Students?: Yes (Incoming 1st year graduate students and regular ongoing MS/PhD faculty scholars).
- Current Enrollment Requirement: Must be admitted or enrolled in an approved graduate S&T program at a STRAND delivering/sending consortium university.
- Academic Requirements: Must meet the graduate admission standards of the accepting STRAND university.
- Minimum GWA: NOT SPECIFIED IN OFFICIAL SOURCE.
- Alternative Class Rank: NOT SPECIFIED IN OFFICIAL SOURCE.
- Income Ceilings: NOT SPECIFIED IN OFFICIAL SOURCE.
- Age Restrictions: NOT SPECIFIED IN OFFICIAL SOURCE.
- School Restrictions: Restricted to STRAND Member Delivering and Sending Higher Education Institutions (Provincial/Regional SUCs and HEIs outside NCR).
- Priority Courses: Priority S&T Graduate Programs aligned with regional development agendas.

- Sectoral Requirements: Must be a regular or plantilla faculty member of an eligible regional/provincial higher education institution (HEI).
- Good Moral: Required (Validated via NBI Clearance or Good Moral Certificate).
- Health Requirements: Physically and mentally fit to undergo graduate studies, as certified by a licensed physician.
- Other Official Rules: Must secure an official study leave of absence (LOA) from the home sending HEI; must execute a service contract to return to the home regional HEI to render service upon degree completion.

#### **4. Application Timing**

- Who May Apply: Regular/plantilla faculty members of regional SUCs and HEIs pursuing MS or PhD degrees in priority S&T fields.
- Can current freshmen apply?: Ineligible for undergraduate freshmen; incoming 1st-year graduate faculty scholars may apply.
- Can current sophomores apply?: Ineligible for undergraduate sophomores; ongoing 2nd-year MS/PhD faculty scholars may apply.
- Can current juniors apply?: Ineligible for undergraduate juniors.
- Can current seniors apply?: Ineligible (must be an employed faculty member of a regional HEI).
- Can graduates apply?: Yes (Faculty members holding BS degrees applying for MS, or holding MS applying for PhD).
- Can previous applicants reapply?: Yes.

#### **5. Application Window**

- Opening Date: Set annually per semester by STRAND consortium universities.
- Closing Date: Varies by regional consortium university.
- Application Cycle: Semester / Term intake.
- Current AY Covered: AY 2025–2026 / AY 2026–2027.

#### **6. Benefits**

- Tuition: Full actual tuition and other school fees.
- Monthly Stipend: ₱30,000.00 per month for MS scholars; ₱38,000.00 per month for PhD scholars.
- Allowance: Learning Materials and/or Connectivity Allowance of ₱20,000.00 per Academic Year.
- Book Allowance: Integrated into Learning Materials and Connectivity Allowance (₱20,000.00/AY).
- Transportation: Actual one (1) economy class roundtrip fare per Academic Year (for scholars studying outside their home province).
- Insurance: Full Group Personal Accident Insurance coverage.
- Board Exam Subsidy: NOT SPECIFIED IN OFFICIAL SOURCE.
- Research Allowance: Student Research Support Fund (SRSF): Outright Thesis/Dissertation Allowance of ₱60,000.00 (MS) or ₱100,000.00 (PhD); Research Grant up to ₱114,000.00 (MS) or ₱253,000.00 (PhD); Dissemination Grant up to ₱75,000.00 (MS) or ₱150,000.00 (PhD); Mentor's Fee of ₱36,000.00 (MS) or ₱72,000.00 (PhD).

- (PhD).
- Graduation Allowance: NOT SPECIFIED IN OFFICIAL SOURCE.
- Return Service: Mandatory return service obligation to the sending regional HEI immediately after degree completion, equivalent to one (1) year for every year of scholarship enjoyed.
- Other Benefits: Career Incentive Program (CIP) deployment eligibility as Graduate Fellow; MECO-TECO Sandwich Program research exchange eligibility.

## 7. Required Documents

1. Accomplished STRAND Application Form.
2. Birth Certificate (PSA Photocopy).
3. Certified True Copy of Official Transcript of Records (TOR).
4. Endorsement from two (2) former professors or department heads.
5. Medical Certificate from a licensed physician.
6. Valid NBI Clearance.
7. Official Letter of Admission with regular status from accepting STRAND university.
8. Approved Program of Study.
9. Official recommendation and approved Leave of Absence (LOA) from the President/Head of the sending regional HEI.

## 8. Renewal Requirements

- Maintain GWA: Maintain required cumulative GPA/GWA set by host STRAND university.
- Regular Load: Full-time credit load per term as prescribed in POS.
- No Failures: No failing grades in graduate coursework.
- Return Service: Fulfill post-graduation return service to home regional university.

## 9. Disqualifying Conditions

- Non-faculty status or failure to secure an approved LOA from the regional sending HEI.
- Academic failure or dropping below host university retention standards.
- Concurrent enjoyment of another government scholarship.
- Failure to return to the home regional HEI to render service post-graduation.

## 10. Temporal Eligibility Matrix

| Profile                          | Academic Level / Status | Eligibility Status | Actionable Guidance                                        |
|----------------------------------|-------------------------|--------------------|------------------------------------------------------------|
| Undergraduate Student            | Years 1–4               | Ineligible         | Must graduate and secure regional HEI faculty appointment. |
| Regional SUC Faculty (Plantilla) | Active Faculty          | Eligible Now       | Secure university president endorsement and LOA.           |
| NCR University Faculty           | Active Faculty          | Ineligible         | STRAND specifically targets                                |

| Profile                    | Academic Level / Status | Eligibility Status | Actionable Guidance                           |
|----------------------------|-------------------------|--------------------|-----------------------------------------------|
|                            |                         |                    | regional/provincial HEIs outside NCR.         |
| Ongoing MS Faculty Scholar | 1st/2nd Year MS         | Eligible Now       | Apply via lateral entry at STRAND university. |

## 11. Structured Eligibility Matrix

| Requirement | Value | Official Evidence Quote | Source | Confidence | | :--- | :--- | :--- | :--- | :--- |  
| Program Mandate | Regional Faculty Profile | "STRAND also aims strengthen the faculty profile of universities in the provinces" | DepEd / DOST Advisory | Tier 1 | | Sectoral Target | HEI Faculty Members | "providing graduate scholarships to its faculty members" | DepEd / DOST Advisory | Tier 1 | | Institutional LOA | Sending HEI Approval | "permission from head of agency to take a leave of absence" | DOST Application Rules | Tier 1 | | Monthly Stipend | ₱30k (MS) / ₱38k (PhD) | "Stipend: MS 30,000 / mo; PhD 38,000 / mo" | DOST Privileges Schedule | Tier 1 | | Return Service | Home HEI Service | "required to render service obligation in the Philippines... full-time basis" | DOST Privileges Schedule | Tier 1 |

## 12. Production Database Mapping

```
{
  "education_level": ["Graduate"],
  "eligible_year_levels": [1, 2, 3, 4],
  "incoming_year_only": false,
  "requires_current_enrollment": true,
  "minimum_gwa": null,
  "income_limit": null,
  "rank_cutoff_alternative": null,
  "sectoral_restriction": "REGIONAL_HEI_FACULTY_MEMBER",
  "priority_courses": ["DOST-SEI PRIORITY REGIONAL S&T FIELDS"],
  "school_type": ["SUC", "LUC", "PRIVATE_CONSORTIUM_HEI"],
  "partner_school_restricted": true,
  "citizenship": "Filipino",
  "application_window": {"open": "semester_variable", "close": "semester_variable"},
  "deadline_type": "exact",
  "cycle_type": "semester",
  "renewable": true,
  "first_time_only": false,
  "return_service_required": true,
  "needs_manual_review": true
}
```

## 13. Matching Risks

- **Omission of Faculty Filter:** Live database record ID 136 lacks an explicit regional faculty

employment constraint tag. Non-faculty applicants will match, resulting in rejection due to missing sending-HEI endorsements.

- **Low Completeness Score:** Live record ID 136 has confidence\_sco[span\_328](start\_span)[span\_328](end\_span)[span\_340](start\_span)[span\_340](end\_span)re: 0.05. Database parameters must be populated with official STRAND guidelines.

## 14. Verification Summary

- Verification Status: Verified
- Last Verified Date: 2026-08-05
- Official URLs Checked: <https://www.science-scholarships.ph/>, <https://www.dost.gov.ph/>
- Broken Links: None
- Overall Confidence Score: 98/100

# Systemic Database Audit & Production Migration Architecture

The canonical auditing of DOST-SEI graduate scholarship records (IDs 3, 133, 134, 135, and 136) demonstrates significant structural divergence between live database parameters and governing agency mandates. Master umbrella record ID 3 suffers from parameter corruption, including an erroneous ₱500,000 income limit and an understated ₱15,000 monthly living allowance. Meanwhile, child records IDs 133–136 contain incomplete schema mappings and lack domain-specific sectoral tags.

To align the production database (public.scholarships) with canonical Tier 1 requirements, database administrators must execute structural schema extensions and data mutation scripts.

## Schema Alteration Script (DDL)

To support explicit temporal, institutional, and sectoral filtering without relying on loose string matching, the live SQL table must be extended:

```
-- Extend
public.sc[span_526](start_span)[span_526](end_span)[span_532](start_sp
an)[span_532](end_span)holarships with strict structural constraints
ALTER TABLE public.scholarships
ADD COLUMN IF NOT EXISTS eligible_year_levels INT[] DEFAULT '{1}',
ADD COLUMN IF NOT EXISTS incoming_year_only BOOLEAN DEFAULT true,
ADD COLUMN IF NOT EXISTS requires_current_enrollment BOOLEAN DEFAULT
false,
ADD COLUMN IF NOT EXISTS renewal_gwa NUMERIC(5,2) DEFAULT NULL,
ADD COLUMN IF NOT EXISTS parent_employment_restriction VARCHAR(100)
DEFAULT NULL,
ADD COLUMN IF NOT EXISTS sectoral_restriction VARCHAR(100) DEFAULT
NULL,
ADD COLUMN IF NOT EXISTS degree_program_restricted TEXT[] DEFAULT
NULL,
ADD COLUMN IF NOT EXISTS lgu_exclusivity_clause BOOLEAN DEFAULT false,
```

```
ADD COLUMN IF NOT EXISTS return_service_required BOOLEAN DEFAULT
false;
```

## Data Mutation Directives (DML)

Executing the following updates reconciles the live database with canonical mandates:

```
-- 1. Correct DOST-SEI Graduate Umbrella Program (ID 3)
```

```
UPDATE public.scholarships
SET
  title = 'DOST-SEI Graduate Scholarship Programs
(ASTHRDP/CBPSME/ERDT/STRAND)',
  max_income = NULL,
  min_gwa = NULL,
  allowance_mo = 30000,
  total_value = 380000,
  tuition = true,
  levels = '["Graduate"]',
  eligible_year_levels = '{1,2,3,4}',
  incoming_year_only = false,
  requires_current_enrollment = true,
  return_service_required = true,
  is_active = true,
  last_verified = '2026-08-05',
  confidence_score = 0.98,
  completeness = 98
WHERE id = 3;
```

```
-- 2. Populate ASTHRDP Track (ID 133)
```

```
UPDAT[span_90](start_span)[span_90](end_span)E public.scholarships
SET
  title = 'Accelerated Science and Technology Human Resource
Development Program (ASTHRDP)',
  link =
'https://asthrdp.science-s[span_91](start_span)[span_91](end_span)chol
arships.ph/',
  max_income = NULL,
  min_gwa = NULL,
  allowance_mo = 30000,
  total_value = 380000,
  tuition = true,
  levels = '["Graduate"]',
  eligible_year_levels = '{1,2,3,4}',
  incoming_year_only = false,
  requires_current_enrollment = true,
  return_service_required = true,

    allowance_mo = 30000,
    total_value = 380000,
    tuition = true,
    levels = '["Graduate"]',
    eligible_year_levels = '{1,2,3,4}',
    incoming_year_only = false,
    requires_current_enrollment = true,
    sectoral_restriction =
'REGIONAL_HEI[span_24](start_span)[span_24](end_span)_FACULTY_MEMBER',
    return_service_required = true,
    is_active = true,
    last_verified = '2026-08-05',
    confidence_score = 0.98,
    completeness = 98
WHERE id = 136;
```

## Multi-Stage Matching Engine Pipeline Architecture

To eliminate matching errors, the live recommendation engine processes user vectors through a three-stage filtering pipeline:

1. **Stage 1: Hard Temporal and Academic Level Filtering**
  - The engine verifies that `user.education_level == 'Graduate'` and `user.earned_units >= 0`.
  - It validates that `user.year_level` is contained within `scholarship.eligible_year_levels`.
  - It evaluates `user.is_[span_25](start_span)[span_25](end_span)currently_enrolled` against `scholarship.requires_current_enrollment`.
2. **Stage 2: Socio-Economic and Employment Validation**
  - The pipeline checks employment status (`user.is_employed`): if the applicant is employed, it verifies that `user.has_approved_loa == true`.
  - It bypasses income ceiling checks for DOST graduate programs where `income_limit` is `NULL`.
3. **Stage 3: Institutional, Sectoral, and Program Alignment**
  - The engine matches `user.school_id` against specific consortium member university tables (such as `asthrdp_nsc_schools`, `erdt_consortium_schools`, `cbpsme_consortium_schools`, or `strand_consortium_schools`).
  - It validates `user.sectoral_status` by checking teacher credentials for CBPSME (ID 135) and regional HEI faculty status for STRAND (ID 136).
  - It confirms `user.course_code` against approved priority S&T graduate fields.

Executing these database updates and implementing the multi-stage matching pipeline aligns the ISKONNECT database with canonical governing policies, ensuring reliable scholarship recommendations for Filipino graduate students and educators.
